Dear Gary,

Enclosed is a letter to Paul R which lists the Hunt documents I got and sent him. I did not get them all at once. When I got the first batch I made a copy for you. However, with my supply of paper dwindling, and I cannot, now, buy more, I had to discontinue copying. The list will tell you what I have.

Paul is now practising law and is taking a position in Los Angeles, he didn't say when or with whom or doing what.

Sincerely,
